Dear Mr. & Mrs. Scheider:

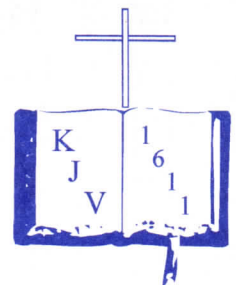

The month of May is behind us and we are glad that we know God is in front of us. Thank you for your prayers last month. Let me give you an update on all our medical events of last month. First Sandra had to have fluid drawn off both knees and they gave her cortisone shots in both knees. She now has a tentative date the first week of September to have a knee replacement. She is looking at one at a time now. The pain has really been hard on her.

I have had several appointments this month. The tumor in my left thigh has not grown any since December. The surgeon believes it is benign. We are going to continue to monitor it. I have had a small amount of cellulitis in my left leg. We are treating it with antibiotics. Praise the Lord we still had a great month for the Lord.

Covid-19 has captured the headlines. We have been busy fighting all the anti-church attacks. We are back in some form of worship services. We are winning the court battles: If God's people will take this opportunity to take a vocal stand for Jesus, I put a fifteen minute video on -YouTube and facebook. I shared that I have never traded my liberty for security. Threatening to fine us and lock us up should not cause us not to follow God's Word or give up our liberty that we have been fighting for generations. The lost world needs to know we will do our best for health and safety but worship will not be left out. We will not forsake our assembling together. Pray for us as we seek to give God our best in service.

Yours in Christ,

Bro. Joe & Sandra Adams
