# God and Country Ministry

Evangelism - Missionaries to America - Chaplain to KY Capitol

GodandCountryMinistry.com

September - 2020

Praise the Lord for His infinite goodness! This past month was a tremendous one for the ministry, to say the least. We held the "Bluegrass Back the Blue Family Festival" to show support to those in law enforcement. Even though the forecast was bad, we felt the Lord wanted us to press on. Sure enough, God moved the weather out of the way, and there was zero rain all day. A giant "thank you" to all who were praying for the event!

With all the people coming and going throughout the day, we estimate there were easily 1,000 attendees during the course of the festival. We had some great gospel music throughout the day and tons of tracts were given out. Who knows the eternal benefits this will have?! Governor Beshear did have some people contact me about a week prior to say we couldn't have the event. (He's quite fond of telling Kentuckians "You can't be doing that.") However, I let them know we were going to have it despite his objections, and the reply was basically, "Uh... okay," and the whole day went off without a hitch. There are a few things worth standing up for, and supporting those who defend us is among them!

Though the governor has closed the capitol to the public, with the help of some Christian legislators, it looks like I'll be able to get back in to continue the ministry. However, with the governor keeping the public out, it means next year's "Christians at the Capitol Day" is in serious jeopardy. Please be praying about this. We've held that event for a decade and, though it's held in February, we usually have to start planning the details in September. If we can't have the event in the capitol maybe we'll move it somewhere else... like Emporia, Kansas (just because that's where the Twinkie factory happens to be located is only a coincidence.)

Officer Z. Lawson, of the Nicholasville Police Department, was one of 14 officers to win a \$300 drawing during the "Back the Blue Family Festival."

## SEPTEMBER CALENDAR

Sept. 6

Fairhaven Baptist  
Lexington, KY

Sept. 12

Faith Baptist  
Cynthiana, KY

Sept. 13

Grace Baptist  
Bowling Green, KY

Sept. 17

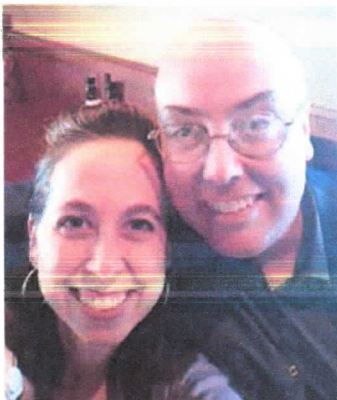

We The People Rally  
Junction City, KY

Sept. 19

Constitutional KY Dinner  
Frankfort, KY

Sept. 26

Day of Repentance Event  
Ashland, KY

In addition to the things going on with the ministry, this is a special time for us because in September is our wedding anniversary (21 years) AND this month is also my birthday (30 years, or just maybe it's some anniversary of that. 🤔)

With two kids now in college, Chrissy thought we shouldn't spend a lot of money on an anniversary dinner, but I'm going to get her the super size fries anyway.
