November 7, 2020

Dear Praying Friends and Family:

In the past several months we have travelled over 9,000 cross-country miles in and through nineteen states. We have visited about thirty churches reporting and presenting the work that God has given us. It has been wonderful to reconnect face-to-face with so many pastors, churches, and dear friends who have loved, prayed for, and financially supported us in the past eighteen years. God continues to greatly bless us with wonderful church services, souls saved, safety, and good health - all in the middle of a pandemic. Thanks again to all who have been a help and blessing to us in our travels.

As of mid-September, Christine and I are blessed to have new prayer cards and a new ministry video presentation. If we visited you this past summer before we had our new video presentation, we will do our best to schedule another visit so we can share it with you. Please feel free to contact us to schedule a meeting!

We have been back "home" with our trailer parked at Bible Baptist Church, Puyallup, Washington since October 22nd. Our return to Washington was necessary to vote in the election, meet with officials on Fort Lewis, and report to supporting churches in the greater Seattle/Tacoma area. On November 2nd, our son-in-law (Harry III), daughter (Allyson), and grandson (Harry IV) flew into Seattle to visit and travel with us for a short while! We were so blessed to have them with us as we reported to our church in Puyallup. The kids will travel with us into western Oregon for several more church meetings until their departure on November 13th.

My grandson (1 1/2) is such a blessing!

The road will take us back into Washington right before Thanksgiving and then on into Idaho for time with family during the holiday season. We also have several more church meetings scheduled in eastern Washington and Idaho between Thanksgiving and Christmas. At the end of the year, our tentative plans will take us on a southern route down through California and across the southern states to Florida. From January through June of 2021, we plan to travel from the southeastern to northeastern states. The Rock of Ages national conference is scheduled for June 2021 in Massachusetts, so we look forward to being in the northeast for the first time in several years! We would love to schedule a meeting with each one of you, so please feel free to contact us!

The colder fall and winter months are upon us. We are living and travelling in an older fifth wheel trailer, so please keep us in prayer. Thank you for affording us the great privilege of representing you and your church on the mission field of America's military prisons. We love and appreciate you all.

In HIS Service,
Lance & Christine
