Dear Mr. & Mrs. Scheider:

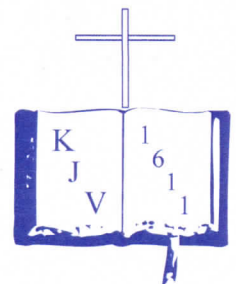

The new year has begun! It looks to me like God's people are going to have their hands full of work to do for God's Kingdom. Things have changed like never before in just one year. The 2021 Legislative Session begins on January 5th and will go through March 30th. They will be working in their offices on January 9th through February 1st. February 2nd through March 30th the session with breaks throughout the remaining days.

Because of the Covid-19 there will be very little ability to have face-to-face meetings with your legislator. We will have to keep up with what is going on and use the message line to contact our Senators and Representatives. The phone number is 1-800-372-7181 for the Message Center. Keep this number handy and call it often to let your Senators and Representatives know how you feel about the issues. They only did a one-year budget last year and so they will be working on a budget for this next year. There are forces that want to change the law so they can have expanded gambling because they lost the 10 year battle in court. It was ruled unconstitutional. Let our legislators know we want no expanded gambling.

They will bring back bills from last session that they did not have time for because of covid-19: such as, Parental rights, abortion rights, youth health protection and many others. I will be sending out my February letter a little early with this information in it.

Pray for Sandra's and my health, Thank you for your prayers and support that helps us in so many ways.

Yours in Christ,
Bro. Joe & Sandra Adams
